

# Pendant Mounted Direct/Indirect T-8 (PL)

## FEATURES

- A low-profile suspended direct/indirect fixture for attractive glare-free ambient lighting in offices, conference rooms, reception areas, classrooms and video display terminal work-spaces.
- New *Engineered Lighting™* design delivers more downlight illumination than standard pendant mounted fixtures.
- Microperforated baffle with white opal acrylic inlay combines soft downlight with even ceiling illumination.
- Hinged baffle for quick, easy lamp access.
- Optional joiner assembly for continuous runs and tandem configurations.
- Highest quality materials and workmanship. Union made in the U.S.A.

End View: Pendant Linear  
Direct/Indirect T8 3-Light.
