Reflectors shown on this page custom-made for specific applications. Reflectors complete with remote ballast box.

Eliminate electrical hook-up. We can supply reflectors completely assembled with power cords and our own P.I.L. quick-connect system. All you have to do is plug our pre-assembly into the ballast box.

Available in mirror finish stainless steel, brushed stainless steel and brass.

Lamp types: fluorescent, octron, PL, halogen. All reflectors can be supplied with miters.

(Specify for wood or glass ends.)

All U.L. listed. All wired for 120v.. Please advise if 277v. required.
